Moe Amateur Swimming Club Child Safe Policy Overview

Purpose

This overview of the Moe swimming club child safe policy was written to demonstrate the strong commitment of the management, committee and volunteers of the Moe Amateur Swimming Club (**the Club**) to the new (2022) Victorian government child safety standards and was written to provide an outline of the policies and practices the Club has developed to keep everyone safe from any harm, including abuse.

Full Policy details can be found here: <https://moe.swimming.org.au/>

Commitment to Child Safety

All children who are a part of the Club have a right to feel and to be safe. The welfare of the children in our care will always be our first priority and the Club has a zero tolerance to child abuse.

The Club aims to create a child safe and child friendly environment where children feel safe and have fun and the Club's activities are always carried out in the best interests of the children.

Application of this Policy

This policy was developed by the Club.

This policy applies to all individuals involved in our organisation (paid and volunteer) including, but not limited to:

- Administrators
- Coaches
- Officials
- Participants
- Parents
- Spectators.

All of the people to which this policy applies have a role and responsibility in relation to child protection. They must all:

- Understand the indicators and risks of child abuse;
- Appropriately act on any concerns raised by children; and
- Understand and follow all applicable laws in relation to the protection of children and reporting or management of child safety concerns.

Child Abuse

Child abuse can take a broad range of forms including physical abuse, sexual abuse, emotional or psychological abuse and neglect. People to whom this policy applies need to be aware that child abuse can occur whenever there is actual or potential harm to a child, and these are circumstances that the Club is committed to reducing the risk of occurrence.

Moe Amateur Swimming Club

Child Safe Policy Overview

Children's Rights to Safety and Participation

The Club encourages children to express their views about their safety. We listen to their suggestions, especially on matters that directly affect them. We actively encourage all children who use our services to 'have a say' about things that are important to them.

We teach children about what they can do if they feel unsafe. We listen to and act on any concerns children, or their parents, raise with us.

Valuing Diversity

We value diversity and do not tolerate any discriminatory practices. To achieve this, we:

- Promote the cultural safety, participation and empowerment of Aboriginal, Torres Strait Islander children and their families;
- Promote the cultural safety, participation and empowerment of children from culturally and/or linguistically diverse backgrounds and their families;
- Welcome children with a disability and their families and act to promote their participation; and
- Seek appropriate staff from diverse cultural backgrounds.

Recruiting staff and volunteers

The Club takes the following steps to ensure best practice standards in the recruitment and screening of staff and volunteers:

- Interview and conduct referee checks on all staff and volunteers
- Require police checks and Working with Children Checks for relevant positions
- Our commitment to Child Safety and our screening requirements are included in all advertisements and as part of the induction process for new staff or volunteers.

Supporting staff and volunteers

The Club seeks to attract and retain the best staff and volunteers. We provide support and supervision, so people feel valued, respected and fairly treated. We have developed a Code of Conduct to provide guidance to our staff and volunteers, all of whom receive training on the requirements of the Code.

Moe Amateur Swimming Club

Child Safe Policy Overview

Reporting a child safety concern or complaint

The Club has appointed **Matt Dennison** as Child Safety Officer with the specific responsibility for responding to any complaints made by staff, volunteers, parents or children. Matt can be contacted at:

Phone number: 0418 105 691

Email: moeswimmingclub.registrar@gmail.com

Our complaints process is outlined in Club Grievance procedure.

Risk Management

We recognize the importance of a risk management approach to minimizing the potential for child abuse or harm to occur and use this to inform our policy, procedures and activity planning. In addition to general occupational health and safety risks, we proactively manage risks of abuse to our children.

To reduce the risk of child abuse occurring, adults to whom this policy applies should avoid direct, unsupervised contact with children. For example, this should be a consideration when:

- Using change room facilities;
- Using accommodation or overnight stays;
- Travel; or
- Physical contact when coaching or managing children.

Reviewing this policy

This policy will be reviewed annually and we undertake to seek views, comments and suggestions from children, parents, carers, staff and volunteers involved in the Club.

Moe Amateur Swimming Club Grievance Procedure

The Moe Amateur Swimming Club is committed to providing a pleasant social environment for all swimmers, parents, guardians, and members. We acknowledge, however, that things do not always go smoothly, and that people can sometimes feel aggrieved about something that is happening at the Club.

The purpose of this policy is to provide a procedure by which swimmers, parents/guardians and members can have their grievances addressed.

What is a grievance?

A person who is involved with Moe Amateur Swimming Club may have a grievance about a decision, behaviour, act, or omission that they feel is unfair, inappropriate, discriminatory, or unjustified. They can use the Grievance Procedure to have the issue heard and addressed.

Key elements of our grievance procedure

The following are the key elements of our Grievance Resolution Procedure:

- **HONESTY & INTEGRITY.** It is important that at all times, any complaints are kept to the actual facts, with complete clarity and transparency. Hearsay conversations will not be accepted.
- **IMPARTIALITY.** If you make a complaint, it will be investigated in a fair and impartial manner. No judgments or assumptions will be made, and no action will be taken until the investigation is complete. If a complaint is made against you, your rights will be protected, and you will be given an opportunity to tell your side of the story.
- **CONFIDENTIALITY.** You can feel secure that if you do make a complaint under this policy, it will remain confidential. The only people who will have access to information about the complaint will be the person making the complaint and the person(s) investigating the complaint (member/s of the Executive Committee).
- **NO VICTIMISATION.** You can also rest assured that if you make a complaint, the Club will not tolerate victimization against you as a result of your complaint.
- **TIMELINES.** Each complaint will be finalized within as short a period as possible. All complaints, whether possible, should be finalized within one month.

Moe Amateur Swimming Club Grievance Procedure

Resolving a grievance

If you have a grievance, the best way of dealing with it will depend on the circumstances. There are a number of approaches available to you:

1. You may speak directly to the relevant individual(s) if you feel comfortable doing so. Sometimes speaking directly to the person(s) involved in a non-provoking manner, or writing to them, can put a stop to the behaviour which is the subject of the grievance. If a grievance is about their behaviour, you should indicate that you find the behaviour offensive, distressing, etc. and you would like it to stop. You may also advise the individual(s) that you intend to make a formal complaint if the behaviour continues.
2. You can discuss your grievance with the Club's Coach. If not a team/swimmer grievance then direct your complaint to the Club Secretary, Sarah Lyne at moeswimmingclub@gmail.com. You will be advised about what your options are and what will happen if you decide to proceed with the complaint. Nothing will be done at this stage without obtaining your agreement.
3. If you wish to proceed with a formal complaint, it will be the Club President with members of the Executive Committee who will interview you. You will be asked to provide details of the nature of your grievance including the event, witnesses, and any other supporting evidence or documentation. These details will form a written document of your complaint.
4. Once you have lodged a formal complaint, an investigation will be conducted to investigate whether or not the incident has taken place and the severity of the incident. The investigation will involve interviewing all witnesses and examining relevant evidence or documentation. The importance of confidentiality will be stressed to all parties and they will be warned of the consequences if there is a breach of confidentiality. The person(s) you have complained about will be given an opportunity to respond to the complaint made against them.
5. Depending on who the interviewer was, they will inform you of the outcome of the investigation and discuss what should be done to resolve the problem. Depending on whether the complaint is verified or not verified, a number of possible outcomes could result (e.g. an apology, an official warning, or removal from the Club).

Moe Amateur Swimming Club Harassment & Bullying Policy

The Moe Amateur Swimming Club is committed to providing a safe and respectful environment for all swimmers, parents, guardians, members and any persons interacting with the Club. We aim to provide an environment free from bullying, harassment, sexual harassment, racial and religious vilification and victimisation. We recognise the serious nature of these behaviours and the effect they can have on the health, safety and welfare of individuals.

At all times swimmers, parents, guardians, members and visitors are required to treat others at the Club with dignity, courtesy and respect, and ensure their behaviour is consistent with the Club's values.

Scope

This policy applies to all Club swimmers, parents, guardians, members and any persons interacting with the Club.

Policy

Bullying, harassment, sexual harassment, racial and religious vilification and victimisation at the Club are unacceptable. Any swimmer, parent, guardian, member or visitor found to have engaged in such conduct may be subject to disciplinary action from the Club. Serious or repeated breaches may result in cancellation of membership and a permanent ban from all Club meets and events.

Harassment

Harassment is behaviour or conduct which a reasonable person, having regard to all circumstances, would regard as offensive, humiliating or intimidating.

Harassment can include but is not limited to the following conduct:

- Insults, taunting, jokes or innuendo
- Gestures, sarcasm or criticism
- Intrusive questions
- Verbal or non-verbal abuse or ridicule
- Any rough or offensive physical contact
- Using threats, intimidation, or interfering in personal issues
- Displaying or distributing pornographic, racist or offensive materials
- Posting offensive comments or sending offensive messages via social media.

Moe Amateur Swimming Club Harassment & Bullying Policy

Sexual Harassment

Sexual harassment is a specific form of harassment which involves unwelcome behaviour of a sexual nature or with a sexual connotation. Sexual harassment is unlawful and will not be tolerated.

Sexual harassment includes unwelcome sexual advances, unwelcome requests for sexual favours and other unwelcome conduct of a sexual nature including comments, jokes or messages with a sexual connotation.

Sexual harassment may include, but is not limited to, the following conduct:

- Jokes, innuendo or gestures of a sexual nature
- Persistent and unwelcome requests for social contact after having been refused
- Leering
- Unwelcome comments about a person's physical appearance or sexuality
- Abusing a position of power to obtain sexual favours
- Acts of physical intimacy (for example, patting, pinching, rubbing, touching or hugging).

Bullying

Bullying is repeated unreasonable behaviour towards an individual that creates a risk to the health and safety of that individual.

Behaviours that may constitute bullying include, but are not limited to:

- Telling jokes, teasing and using nicknames
- Sarcasm and other forms of demeaning language
- Threats, abuse or shouting
- Coercion
- Inappropriate blaming
- Ganging up
- Knowingly ignoring or excluding someone
- Constant unconstructive and personally targeted criticism
- Deliberately withholding information or equipment that a person needs or limiting access to their entitlements.

Bullying is unacceptable and is unlawful. In addition, if someone is being bullied because of a personal characteristic which is specifically protected by equal opportunity law, it may also amount to unlawful discrimination.

What is not Harassment or Bullying?

Many things that happen are generally not considered to be harassment or bullying, even though they may be uncomfortable for those involved. Differences of opinion, conflicts and personality clashes can happen in any environment but usually they do not amount to bullying.

A single incident of unreasonable behaviour is not usually bullying, although it may have the potential to escalate into bullying and therefore should not be ignored. Reasonable actions, carried out in a reasonable manner, is not bullying.

Moe Amateur Swimming Club Harassment & Bullying Policy

Racial and Religious Vilification

Vilification is behaviour that encourages others to hate, disrespect, or abuse a person or group of people because of their race or religion. Such behaviour is unlawful.

This includes spoken, written, online or physical behaviour towards a particular race or religious group that encourages others to ridicule them, be hateful or violent towards them, damage their property, or make false claims against them.

It is also against the law to give permission or help someone to vilify others, for example by publishing or distributing information about them.

Victimisation

Victimisation is subjecting or threatening to subject someone to a detriment because they have made a complaint, helped someone else make a complaint, or refused to do something illegal or against company policy. Victimisation is against the law.

It is also victimisation to threaten someone (such as a witness) who may be involved in an investigation of a formal complaint.

Victimisation is a serious breach of this policy and is very likely (depending on circumstances) to result in disciplinary action.

Resolving issues

Moe Amateur Swimming Club encourages any swimmers, parents, guardians or member of the Club who believe they have been bullied or harassed, sexually harassed, vilified or victimised to take action in line with Club's Grievance Policy by directly contacting the Club Secretary. Anyone who believes they have observed these types of behaviours is also encouraged to take action.
